### 2022-2023 Federal Direct Graduate PLUS Loan Request

If you have not already completed the Free Application for Federal Student Aid (**FAFSA**: <https://studentaid.gov/h/apply-for-aid/fafsa>), we will not be able to process your Federal Direct Graduate PLUS Loan Request. It is recommended that graduate students exhaust all other federal student loan options before utilizing a Federal Direct Graduate PLUS Loan. To be eligible for the Federal Direct Graduate PLUS Loan, a student must be enrolled in a graduate degree-granting program at least half time (6 credits) for the semester(s) for which the loan is being requested. Please note that federal regulations do not allow Federal Direct Graduate PLUS Loan Requests to be processed for an outstanding balance that is associated with an academic period that has already ended.

 Summer 2022 & Fall 2022               Summer 2022, Fall 2022 & Spring 2023               Fall 2022 & Spring 2023

Total Requested Loan Amount              \$  **1 2**

**1** The maximum amount a student can request is limited to the difference of their cost of attendance and awarded financial aid (COA – Fin. Aid). This amount may be adjusted if the student receives any additional resources such as scholarships, outside awards, tuition assistance, etc.

**2** Be sure to take into consideration that a 4.228% origination fee is deducted from the loan proceeds at disbursement. Thus, a requested loan amount of \$10,000 would yield a net disbursement of \$9578 over two equal disbursement installments. The loan amount will disburse in equal installments over each term of the academic year unless the student is borrowing federal loans under a Borrower Based Academic Year (BBAY) structure as deemed eligible by their academic program and enrollment or if allocated unevenly as prescribed in section 3 below.

**3** If a loan amount is not specified per term and the remaining budget available remains within the cost of attendance, the loan will be split evenly for the requested amount amongst the terms indicated above. **Please note:** Summer, Fall and Spring terms may include different costs of attendance based on

length of term. As a result, the requested loan amount may be allocated unevenly to remain within the cost of attendance for both the term and overall aid year.
